

REVOLUTIONIZING THE BENEFITS EXPERIENCE FOR TODAY'S WORKFORCE

Pacific Life is revolutionizing employee benefits by empowering you with a premier, comprehensive, friction-free, digitally native experience. We offer a new, totally unified, integrated group benefits experience, from quotes to claims. It's better for your clients and better for your business.

TOGETHER WITH TRUSTED PLATFORMS

We offer a streamlined experience through integrations with benefits administration platforms to reduce the number of manual tasks and require less effort and time. We welcome more platforms joining us soon.

Additional platform integrations coming soon.

DIGITAL IMPLEMENTATION — Guided online implementation streamlines onboarding and case setup, removes redundant steps, and shortens the process to just hours for you and your clients.

DYNAMIC BILLING — Constantly connected systems ensure employee status changes are captured in near real-time to minimize discrepancies and eliminate monthly billing reconciliations.

EASIER ADMINISTRATION — Seamless integration with benefits administration platforms digitally transfers employee data and benefit elections, making enrollment and employer oversight easier.

EVENT-BASED CLAIMS — An innovative approach to claims that requires only one submission for each event, then proactively identifies applicable coverages to maximize payments.

59%

When considering a new insurance carrier, more than half of employers would select a carrier that works well with their benefits technology platform, even if their product is a little more expensive.
